The Honorable Daniel R. Benson
Assemblyman
New Jersey General Assembly
3691A Nottingham Way
Hamilton Township, NJ 8690

Dear Assemblyman Benson:

I wanted to reach out to you in light of your recent work on A376. As a nonprofit organization committed to the preservation of academic freedom, excellence, and accountability, the American Council of Trustees and Alumni (ACTA) appreciates your efforts to re-evaluate the way in which the State of New Jersey appropriates funds for higher education institutions. We share your sentiment that increased accountability and efficiency is needed to improve student outcomes.

In this spirit, I would like to offer our aid if there is any way we can be of assistance. For over 25 years, ACTA has worked with trustees and public officials across the country to ensure that all Americans can receive a high-quality education at an affordable price. We have testified before various state legislatures and commissions in states including Florida, New Jersey, Alaska, Georgia, Montana, Texas, and Pennsylvania, on matters such as curricular quality, academic assessment, and institutional accountability.

If there is anything we can do to help your efforts to support A376, or in any matter in the future, please do not hesitate to reach out to me directly.

We are immensely grateful for your commitment to American higher education, and I look forward to hearing from you.

Sincerely,

Armand B. Alacbay
Vice President of Trustee & Government Affairs
